Some Benefits of Membership:

The greatest benefit of Farmington Players membership is being involved with a group that produces quality community theatre. Whether you are on the stage or behind the scenes, there is always something fun happening at the Barn! Unoccupied seats are available to members only on the night of a performance, 5 minutes prior to curtain, on a first come first serve basis. (If a show is forecast as a "sell-out", last minute seat availability will be determined by our box office personnel.)
**** A member in good standing may purchase, for his or her own use, one ½ price ticket for each production in our season ****

Membership is for **volunteers!**! Take a look at the list below and let us know which activities or committee(s) you are interested in joining. Remember, a production requires many people behind-the-scenes… not just those in the cast! Broaden your horizons, try something new, and learn about all the fascinating aspects of theatre production!!! Don't wait to be asked!!! Call Joan Boufford to find out whom to contact!!
