WINNER – 2008 Tony Award... “Best Revival of a Play”...

It's the 1960s, and swinging bachelor Bernard couldn't be happier: a flat in Paris and three gorgeous stewardesses all engaged to him without knowing about each other. He keeps one up, one down and one pending. But Bernard's perfect life gets bumpy when his friend Robert comes to stay and a new and speedier Boeing jet throws off all of his careful planning. Soon all three stewardesses are in town simultaneously, timid Robert is forgetting which lies to tell to whom, and catastrophe looms. A riotous farce that recently enjoyed hit revivals in London and New York, Boeing Boeing is now set to arrive at the Barn in Farmington Hills—fasten your seat belts! Contains sexually suggestive content...
